Cooperative Program for the week of *June 30<sup>th</sup>*

## MINISTRY: Guam

Serving as director of missions for Guam Baptist Association, North American missionary **Jim Ditty and his wife, Jenny**, pray for God to send a sweeping revival to this part of the world. Many people claim to be Christians, but are not born-again. With support from churches like ours through the Cooperative Program, Jim works with pastors and other spiritual leaders in the churches, assisting them with discipleship and leadership development in an effort to reach those unbelievers. He also encourages churches to see the great need for more ministries and leads them to start new churches. Jim and Jenny need our continued support and our prayers as they strive to share Christ's love with all the islands of Micronesia.

When God's people sin, giving is often reduced or eliminated and we miss many of God's blessings. Robbing God of tithes and offerings is a sin.
