PRAYER REQUESTS

Members:

- Michelle Rosson's father passed away on Monday. He was living in Colorado. Michelle and John are there with her family.
- Danny Hudler - cancer surgery went well. He is still in the hospital. Overall, Danny is doing well but he still has a few hurdles to get past while in the hospital. Please pray for comfort for Danny, Gail and the rest of the family!
- Dennis Wells - Dennis is a former member and is a friend to many of our members. He was diagnosed with stage 4 cancer in several areas of his body. Pray that he will be able to obtain a timely appointment with MD Anderson in Houston.
- Continue to pray for Ron Coley's granddaughter, Elisabeth. She is a missionary serving in Europe at this time. Email for words of encouragement at: elisa_overseas@proton.me
- Please pray for Mary White as she continues to battle major health issues.
- Cherry White is in the beginning stages of dementia.
- Barty Chappell, Ron Coley's 75-year-old nephew, is struggling with depression and it has caused him to lose the ability to walk from lack of muscle function. Please pray for him and his wife, Debbie.
- Zachary, the 35 year old son of a friend of Rick Foote, has sarcoma cancer. He is doing better and will have the tumor removed soon. Please continue to pray for him, his wife and his 3 children.
- Gene, Reta Coley's brother-in-law, has kidney and lung cancer and is undergoing treatment.
